

In recent a recent Senate meeting the potential use of funds, from the current Faculty Challenge, to supplement the funding of college programs, was discussed. Such funds are categorized as unrestricted, i.e. funds designated to a college or unit but undesignated as to purpose. Such funds are usually received through telephone solicitations.

The Budget Council contacted Paul Robell, VP for Dev. and Alumni Affairs, and asked for an accounting of unrestricted funds in the current campaign. The table below lists the distribution by college. The total funds received in FY 2006 are approximately \$161 million. The unrestricted funds total \$2.6 million, or 1.6%.
